## *FOREWORD*

The world moves forward and so must we, the citizens of tomorrow. Today science holds the spotlight... tomorrow who knows? We have selected

out of the past ... THE PRESENT

out of the present ... THE FUTURE

as our theme and designed our cover with that in mind. Everything must have a foundation; education is ours, what we build on it is up to us.

## DRAMATIC CLUB

Because the only requirement for membership is the desire to belong to an organization that stresses group interest and enjoyment rather than a special interest or talent, the Dramatic Club is the largest social organization in the school with one-hundred and sixteen members. Under the direction of Mr. Townsend, Dramatic Club de-emphasizes club officers, older members, initiation, etc., and strongly stresses participation by all members in all of the club projects. By opening the Dramatic Club door to any student regardless of talent or age, we feel that the members develop within themselves the common bond of Democratic Freedom and tolerance that will help shape their lives into more useful citizens.

Mr. Townshed and crew builds set for senior play.

# BIOLOGY CLUB

Biology Club is not a brand new club, but it has a brand new sponsor, Mrs. Haas.

The purpose of the club is to inform students of the many interesting phases of Biology and the related sciences, as well as to provide information of a general and entertaining nature.

Our activities have included field trips, films which presented general information in biological fields as well as career opportunities, and guest speakers who represented various fields of a biological nature--college instructors, industrial research people, and technicians.

Future plans include a trip to visit the Buhl Planetarium of Pittsburgh as well as other places of interest.

# FUTURE NURSES OF AMERICA

Williamson stresses nursing career

Nurses attend movie

**Purpose**--To interest students in personal and community health, to encourage them to find out what nursing requires and it can offer them.

**Qualifications**--Any student in grades 10-12 who evidences an interest in learning about nursing is eligible.

**Activities**--We are primarily a service club and we have few social events. Most of our time is spent earning points so we may wear the club pin. These are earned by volunteer work at the Gove City Hospital or in the school medical room.

Our programs consist of speakers from nursing or allied professions and movies about these subjects.

M.J. Williamson is the club sponsor and also the school nurse.

# MAJORETTES

The majorettes of G. C. H. S. are composed of twelve girls, four seniors and eight juniors.

The uniforms of the majorettes are the traditional school colors of gold and white. They consist of: reversible gold and white corduroy skirts topped by gold V-neck sweaters, and white majorette boots set by gold and white tassels.

These high-stepping girls, along with the high school band, perform many drills for home and away football games.

To help open the basketball season a dance was sponsored in the All Purpose Room after the first game.

The majorettes spend many hours perfecting routines for the entertainment of the audience at home games. These same routines provide the enjoyment for many school assemblies.

Mr. Grant Thompson was recently elected as the sponsor, and Sondra Scott fulfilled the job of Head Majorette.

# CHEERLEADERS

Here they are, the Eagle helpers in the field of sports. To these girls we give a solid round of applause for the kick they put into our school sports. School spirit is a hard thing to arouse, but these gals did an excellent job. This group was awarded the Lion's trophy at the holiday tournament. We say farewell to seniors Betsy Harshaw, Captain, and Cheryl Bashline, but look forward to meeting our new voices next year.

## FOOTBALL

A "New Look" burst forth upon the scene of G. C. High School for the 1957 season. A NEW coaching staff, NEW system, NEW uniforms, and almost an entirely NEW team took the field. With many NEW faces in the lineup, the season proved to be very "up and down" which is so indicative of a young inexperienced squad. In compiling a 2-5-2 record the Gold and White tied the two best teams on their schedule and lost to several of the weakest. There seemed to be no team that scored above the Eagles as their total margin of defeat for the five games stood at 37 points.

With only six seniors on the squad and 16 lettermen returning for next season, the Eagles should show some of the power that made them the most feared and respected football team in the district from 1940 to 1950. Replacements will have to be found for guard, Lew Hart; tackles, Chuck Tubbs, Dave Smathers, and Dick Pearson; end, Jack Collins and fullback, Don Jones. Six squad members back from this year's spirited aggregation and a letterman returning in each position should go a long way in replacing our senior stalwarts and perhaps bringing another Mercer County Championship to the "Lair of the Eagles."

The Eagles of 1957-58 hurt by lack of experience and height battered their way from the opening whistle at New Castle to the final buzzer at Franklin compiling a 4-16 record. Under Head Coach McCullough who last year masterminded the Eagles to the Mercer County crown, Grove City was never outfought and never "down." Meeting some of the best teams in this section, Grove City acquired the badly needed experience which will pay double rewards next year. Playing their final game for the Gold and White were Senior co-captains Lewis, Welton, and Jones. The nucleus of next year's squad will be taken from the following: Freshman, Dick Daily; Sophomores, Clyde Adams, Bruce Clark, and Ron Leach; and Juniors, Jim Eaker, Ron Worley, Frank McWilliams, Dean Billick, Frank Polar, Gary Forsythe, and Byron Welker. The slogan of these boys is that of the ex-Brooklyn Dodger fans-"Wait Till Next Year."
